## Work Experience

### Mindtree Pvt Ltd

#### Module Lead

Sydney/Chennai

Jan 2021 - May 2023

- Designed and developed microservices applications using .NET Core and MS SQL Server in Agile methodology.
- Implemented Single Sign-On (SSO) authentication and authorization using Okta, enhancing security and user experience.
- Led DevOps initiatives by configuring Azure CI/CD pipelines, automating deployment processes, and ensuring smooth integration of .NET Core and React code.
- Achieved a 50% improvement in application performance through the implementation of Redis Cache and code optimization.

### Accenture

#### Senior Analyst

Chennai, India

Nov 2017 - Jan 2021

- Developed web applications using C#, ASP .NET MVC5, Javascript, JQuery and Sitecore (CMS) 10.2.
- Achieved more than 75% code coverage through comprehensive unit testing using N-Unit, enhancing code quality and reliability.
- Managed a team of 8 members, facilitating user story analysis, estimation, technical guidance, and Implementing Tech Debt.

### Virtusa Consultancy Services Pvt Ltd

#### Associate Consultant

Chennai, India

Aug 2015 - Nov 2017

- Involved in transitioning legacy application to Sitecore XP 8.0 ASP .NET, MS SQL, Javascript and JQuery resulting in enhanced performance and modernized user experience.
- Streamlined CRM systems by reducing the number of platforms used, leading to increased operational efficiency and reduced maintenance overhead.

### Tata Consultancy Services Pvt Ltd

#### System Engineer

Chennai, India

Nov 2012 - July 2015

- Contributed to the application development process by employing Test-Driven Development (TDD) framework, ensuring robust and reliable software.
- Integrated the application by consuming WCF and Web API services, enhancing the application's functionality and data exchange capabilities.
